

Directions to Kokum's Den

Please note that our address is 25586 104th Ave, but it may not show up on many GPS devices since 104th isn't marked as a street.

If you're using a different app or GPS, try entering the crossroads of 102 Ave. & 256th St.

If you plan to visit me at Monique's Healing Space, also known as Kokum's Den 😊 follow these directions:

If you're coming from Abbotsford, Aldergrove, or Chilliwack:

1. As you approach Maple Ridge, I recommend turning right onto 240th St from Highway #7. Look for Bruce's Market and major lights at Albion.

If you're coming from Vancouver, Pitt Meadows, or Coquitlam:

1. Drive through Maple Ridge and turn left onto 240th St from Highway #7.
2. Next, turn right onto 102nd Ave (the second set of lights, and remember, you can only go right here).
3. Continue along 102nd Ave until you reach a traffic circle. Take the first right, which will take you up the hill near the new development. This is Jackson Hill, and it becomes 100th Ave.
4. Keep driving straight along 100th Ave until you reach a straight section at the top.

Make a left turn onto 256th St (you'll notice a mailbox and a small school on your right).

Drive up the hill, going past the "no through road" sign.

At the top of the paved road, you'll see a white & red sign on the left side that says "H & I Roofing."

My place, Kokum's Den, is the large green house on the corner, directly across from this sign on the left side.

This corner is where 104th Ave. & 256th St. intersect.

Turn left into the circular driveway and park at the far end of the house. You'll find the entrance where the Honey Bear is standing on the porch.

Please note that our address is 25586 104th Ave, but it may not show up on many GPS devices since 104th isn't marked as a street. If you're using a different app or GPS, try entering the crossroads of 102 Ave. & 256th St.
